## HEAL is Hiring a Summer Intern!

### About Us

HEAL trains and transforms front line health professionals through building a community dedicated to serving the underserved as their life-long choice. We are a small, dynamic team of passionate global health professionals. HEAL is part of UCSF, with offices in downtown Oakland.

### About the Role

This is a full-time intern position beginning May 28 and ending in early August. The intern will be an integral part of our small team as we plan and execute our summer trainings, and will work closely with staff, faculty, and other interns.

**HEAL believes in creating a diverse community and strongly encourages women, underrepresented minorities, first generation to college to apply**

### Responsibilities

- Plan summer trainings attended by HEAL fellows from around the world, contributing to both curriculum and event logistics
- Participate in the execution of 1-week training on the Navajo Nation in Arizona, and 3-week training in Santa Cruz and Berkeley, California, taking on tasks and responsibilities alongside others on team
- Specific areas of responsibility could include coordinating a hands-on training session; meals, travel, and housing logistics; creating printed materials; and managing documentation of sessions.

### Qualifications

- Passion for health equity/health justice
- Interest & some background knowledge in global health, underserved medicine, or social medicine
- Full time availability early June—late July
- Ability and willingness to travel offsite with team for 1 week in late June and 3 weeks in early July
- Competency in Microsoft Word, Excel, and PowerPoint; Adobe Illustrator and PhotoShop
- Excellent communication skills, solid time management, ability to manage multiple deadlines; practiced in working in teams & independently
