

HEAL Initiative Fellow Role Description

Position Title: Internal Medicine HEAL Fellow

Organization: [Tsehootsooi Medical Center](#)

Tsehootsooi Medical Center is a 245,000 square foot state of the art rural hospital that opened in August 2002. The hospital is located in the beautiful high-desert climate of Northeastern Arizona, about 8 miles north of Window Rock, Arizona (the capitol of the Navajo Nation). Tsehootsooi Medical Center boasts a 24/7 Community Hospital Emergency Department, and is licensed for 56 inpatient beds including: an Intensive Care Unit; a Medical-Surgical Unit; a Pediatric Ward; an OB/GYN Ward; and an inpatient Adolescent Psychiatric Care Unit.

Department: Internal Medicine

The Internal Medicine department includes the Hospital Medicine Department, which consist of 2 Hospitalists, and the Primary Care Department, which consists of 11 Full Time clinicians who work alongside medical assistants and a pharmacist.

Position Description: The position is 25% Inpatient Care and 75% Outpatient Care duties as well as urgent care responsibilities. Fellows can expect to have an average of 12 hours of administrative time per week. Rotating HEAL Fellows are encouraged to participate in quality improvement projects and attend meetings of their interest outside of their clinical duties. Potential project areas include placing more emphasis on intradepartmental quality improvement ventures and enhancing clinical education for rotating medical students and resident physicians.

Job Requirements: By 1 July 2021 applicants must have completed residency training at a US-based residency program. Applicants must be able to provide highly competent inpatient and outpatient care and have a clear passion for serving the underserved. Also important is the ability to function with limited specialty consultation, an expansive procedural skill set for invasive procedures, and a genuine altruistic nature to serve a disenfranchised population.

HEAL Initiative

HEAL (Health, Equity, Action, and Leadership) trains and transforms front line health professionals through building a community dedicated to serving the under-served as their lifelong choice.
